

**10-11 Settembre 2016 - Centro Sportivo Bellaria Cappuccini**

---

Even in 2016 in Pontedera in Tuscany in the province of Pisa under the patronage of the authorities involved and under the auspices of the Provincial Committee and of Valdera UISP is organizing the "XVI° Criterium Gladden" Cycling Race on Amateur International Road Cycling Race << road for cyclists >> which will be held on September 10 to 11.

The event is open to all athletes of various associations and is competitive, the path winds gently rolling hills of Valdera for a distance of about 60/90 km, depending on the category are member of. The departure of the various races will be categorized and throughout the race, will be guaranteed the service Relays / Escort Technique to protect the Group of Athletes; second will be the support of the police to monitor all intersections.

In order to ensure that the event, the participation of a larger number of athletes from Europe and give prominence to the international associations that promote road cycling, we propose to involve various international associations organizing delegations of athletes representing them.

The organizers of the event to ensure each delegation of athletes accommodation and meals for the 09-10-11-12 days in September, and in any case remain at your disposal for any clarification or proposal together that we could call to ensure participation and 'organization of the event.
